

Discerning the Heart of St. Mary

Dear Parishioner,

Please answer the following questions, as if all COVID-19 restrictions are removed, (to help us identify what we are doing right or could improve in the future).

There is no need to identify yourself in this survey. The survey will be analyzed by the church wardens and a report will be published.

Completed survey forms should be placed in the box at the back of the church or handed into the office or placed in the overnight box at the ramp entry to the church hall. They can also be mailed or emailed to admin@stmarynb.ca by no later than April 21.
